New YORK, Nov. 20

A Herald's Railegh, N. U., special says Semi-official returns from the Seventh District indicate the election of Durrail, Democrat, to Congress by a majority of Bi is the twenty counter. The vote of Yancey county received yesterday, the last day, is informal and will protably be thrown out, which would elect Jones. Republican, by a majority of 54. Both candidates claim to be elected, and either will coutest the seat of the other on the ground of fraud on the one hand and intimidation of voters on the other.—The matter will come before the Council of the State, which meets on Saturday and which will probably decide that the vote of Yancy county is illegal, and thus secure the seat for Jones. Congress, 6 Republicans and 1 Democrat.

The Herald's liavanus special says. From revolutionary sources we learn that Cot Caspedes is setting as Provincinal President. In the absence of Col. Aquardra he has issued a decree ordering all native males between the ages of cighteen and forty to be enrolled for active, service under penalty in case of failure they be declared one units all instity reale persons between the ages of 40 and 50 must do home guard duty.
